

**Michael E. Johnson** is the founder and CEO of Esenjay Petroleum Corporation. He has worked in oil and gas exploration for more than 40 years, concentrating on the Gulf Coast. Mr. Johnson worked with Atlantic Richfield Co. and Tana Oil and Gas before co-founding Esenjay Petroleum Corporation in 1977. At Esenjay, he has managed exploration activities, coordinated outside technical support and raised capital from industry partners. He holds a Bachelor of Science degree in Mechanical Engineering from the University of Southwestern Louisiana. The success of Esenjay has allowed Mr. Johnson to invest in diverse businesses other than oil and gas. He is on the board and a significant owner of the following enterprises:

- World class hunting lodge and commercial farming operation in east-central Louisiana... (Click logos to visit the web sites.)

- Designer/manufacturer of recreational boats, including boats with high-power electric drive...

- Designer/manufacturer of complete Lithium power solutions for diverse industrial applications...

- Executive Producer of a full length feature film to be released in 2014.

- Designer/manufacturer of shaft-driven rugged utility bicycles for universities, industry, and bike-share programs...
